1.4 | Important User Information

The **COMMAND** system must only be installed and operated by individuals trained in its functional and safety requirements. Use of the system outside the scope of this manual may result in machine damage or personal injury. If any information within this manual is unclear, contact T3RRA before installing, operating or servicing the system.

Technical Support

For technical support of the **COMMAND** system, please contact T3RRA. Support is available via phone, email and the internet during business hours, Monday to Friday.

Address

Shed 4, 18 Rocla Court, Glenvale QLD 4350
