7.16 | Completing your design

Once satisfied with your design surface and/or drain.

1. Select the **'Return'** button. (Top right corner)

2. Select **'Yes'** to keep the design surface.

3. Select the **'Save proj.'** button to save the T3RRA project.

Once you have finished making all your design changes, move onto step 4.

4. Select the **'Apply'** button and follow on screen steps to begin implementing your design.
