

Completing your design

Once satisfied with your design surface and/or drain.

1. Select the 'Return' button. (Top right corner)

2. Select 'Yes' to keep the design

surface.

3. Select the 'Save proj.' button to save the T3RRA

project.

Once you have finished making all your design changes, move onto step 4.

4. Select the 'Apply' button and follow on screen steps

to begin implementing your design.
