**Important: Please read this before using any of our software products.**

**We at T3RRA are software developers. We are not irrigation engineers or designers.**

**We build tools. We do NOT create designs for customers, or provide advice on any aspect of agronomy, irrigation, drainage, landforming, or earthworks design. We cannot (and do not) warrant or guarantee the appropriateness of any design created with our software for *any purpose*.**

**It is your responsibility to evaluate the fitness and correctness of the designs created in our software for your purposes. This includes meeting all local rules, regulations, requirements, and laws.**

**Do NOT blindly follow the output of this software. Monitor work progress and evaluate the correctness of implementation continuously. Independently verify that the evolving job is meeting your exact requirements. Any perceived deviation, real or imagined, must be taken seriously and work must cease until you are satisfied that results are within your tolerable margins of error. Seek professional advice from qualified and certified engineering personnel if you have any doubts about the correctness or suitability of your design.**
